

About our School

Buxted CE Primary School is a Church of England Primary school for children aged 4+ to 11. The number on roll is currently 158. The school is situated approximately half a mile outside the village of Buxted on the A272. It occupies a large and pleasant site with picturesque views of the surrounding countryside.

The main building dates from 1857 and includes three classrooms and a library. This building was extended in 1997 to provide a staffroom and children's toilets.

The school had a magnificent extension, opened in July 2002. This includes a superb hall; two purpose-built Key Stage 1 classrooms, with a shared activity area in between; a stage of the art school kitchen; spacious offices; an enlarged playground and a new reception area, with a ramp for disabled usage.

The new building can be seen as it looks from the field. This is the first time the whole school has been on one site for well over fifty years and it offers a high level of security for children.

It is almost impossible to remember how difficult the two years preceding the completion of the new building were, but the aerial view on the right, showing the site as it used to look, is a useful reminder of what has been achieved.
